Fellow Lions:

This year, Lion DG Bill has asked that I serve as the District 1-F Convention Registration Chairperson again. As the Registration Chairperson, I am going to need your support and help in more than one area.

Last year, we tried several new ideas at our District Convention in an effort to respond to suggestions from many in the District and to encourage attendance. Some of the ideas worked, some didn't. But we learned from our experience and I'd like to take this opportunity to note a couple for changes for the coming convention; and some things that aren't going to change.

First, **what's not going to change**, the fun, the friendship, and **THE COST**. That's right; EVERYTHING is priced the same as last year's District Convention AND we've added to what you can get. A choice of steak or fish is now available for the banquet (as well as any special dietary requirement). If you'd like to stay at the hotel for the convention, no problem, same room rate as last year.

Something that is not on the registration form is an area to note any special dietary requirements. If you have any special dietary requirements for medical or religious reasons, please use the back of the registration form to note who has the requirement and what they are. I will forward this information to the convention committee to pass on to the hotel. We will make every effort to ensure that these needs are addressed.

We're again working with the hotel to set up a special web site (<http://cwp.marriott.com/chinb/lionsonef>) where you can, for a limited time, reserve your convention hotel room at our reduced rate.

As we did last year, you will be able to see who has registered for this year's District Convention. With a lot of help from our web master, Lion Jack Brey, a list of all those registered will be posted on the District 1-F web site (<http://www.district1flions.com>) and updated weekly. This way you can verify your registration or see who is coming.

Please promote the District Convention to all the Lions you know and **PLEASE, REGISTER EARLY**. If you have any questions regarding registration, please feel free to **contact me at 847-459-1640**.
