

District 1-F 2012 Convention

March 2 - 4, 2012

Club Hospitality

November 1, 2011

Fellow Lions, Lioness' and Leos,

I have been asked to be the Hospitality Room Chairman for our District 1-F Convention on March 2nd through March 4th 2012. Since Lions Clubs International Convention will be held in Busan, Korea, the theme for this year's hospitality area will be **"See-Ya in Korea."** If your club is sponsoring its own hospitality room or table(s) in the shared hospitality area it would be nice to consider the theme in your plans.

As in previous years, the hospitality area will be located on the lower level of the hotel. The hours for Friday will be 8:30pm until midnight and Saturday 9:00 pm until midnight. We will still have one shared district hospitality area for clubs to have tables. The cost of the tables remains the same as in previous years, and clubs may decorate, serve food and/or beverages and have fundraisers or games to engage convention attendees.

In addition to club hospitality rooms, clubs and individuals will have an opportunity to show their support for our convention by sponsoring a table in the halls or shared hospitality area. Sitting and cocktail tables will be placed throughout the shared hospitality room and hall tables will be just outside that room. The names of clubs or individuals sponsoring tables will be prominently displayed. Sponsoring a table is not a reservation for the table and will be available for the use of all convention attendees.

Included in this package, you will find a reservation form for hospitality choice. This form with your check is due by January 15, 2012 for hospitality rooms and shared hospitality room tables, and February 15th for sponsorship tables. We are presently scheduling a walk-through day for late January for those that wish to see the rooms. The District Governor, 1st Vice District Governor and 2nd Vice District Governor will be given first choice of a room or table set. Then clubs will be given the choice of a room or table set. If there are any rooms or tables left, clubs already having rooms will be given a choice of taking those rooms or tables. If there is a conflict that cannot be resolved prior to the walk-through day, then hospitality choices will be settled by a drawing at that time. Get your forms and checks in to ensure your clubs is involved with hospitality at this year's convention.
