Lion Barb

(oops, this just came through from the ghost writer)

Though they've come and gone  
Still many still carry on.  
Those Knights of the Blind whom few  
know their names  
But all can see the results of their  
endeavors  
And none would say they'd like to live  
without them in their area  
Those givers of sight and sound  
Those volunteers when few others will  
Those Lions of Elk Grove for the last 50  
years.  
I'm Proud To Be One

## 2nd Vice President's Report

What do we do with that money we collect on Candy Day? October 10 is Candy Day. Where does that money go? Well, 40% of the money we collect comes back to our club and 60% goes to The

Lions of Illinois Foundation. Of that money 100% goes into an endowment fund and the interest is used to run the Foundation. This means that the money you collect earns interest every year to run the foundation.

I know this is a short time to request your help but I feel that it is so important that I am asking again. I know that the corners are getting so busy and so dangerous to stand on and traditionally Elk Grove only stands out on the corner Friday morning. Some clubs stand out on the corners Friday Saturday and Sunday from dawn to dusk. So if Friday isn't good for you Saturday might be better let Lion Kevin or Lion Ed know where you can help. If you can't stand on a corner please find a place that you can stand safely and collect money. If you can't give time you can underwrite candy. Or place a counter can, or if you have a different idea let us know. If you don't do it, it won't get done.

By the way for the last three or four years we have sent 100% of candy day money to the foundation so all of our hard work has a lasting impact on the citizens of Illinois. See you at the dinner dance.

### **3rd Vice President's Report**

Fellow Lions,

As our 50th Anniversary Dinner Dance approaches, I would like to thank all the dance committee members for all the time and hard work they put into organizing this event.

Now it's your turn. In order for this celebration to be a success, we need each and every member to ask his or her friends, family and neighbors to join us on October 25<sup>th</sup>, 2008. Encourage them to buy a ticket or get a group together for a whole table. I would expect that every current member, with the exception of illness, should also attend. Why not make it a family night out? Ask your adult children and their

spouses to join you, and us, as we celebrate this club milestone.

Call Lion Barb for tickets and dinner dance information. Remember, the success of this event depends on you... the Elk Grove Village Lions.

Another thank you goes out to all the members who brought in ads for our program. You did a tremendous job and I thank you on behalf of the club. It is members like you that inspire me.

Lion Mitch

### **50<sup>th</sup> Anniversary Thoughts**

Lions,

In a few weeks we will celebrate our 50th anniversary. During that time we have developed a very impressive history. As most of you know, in 1958 our club was started in the kitchen of Lion Bob Dunn, better known as Father Dunn.

From that day till now our club has served our community raising money so we could help those in need. In the beginning we sold Christmas Trees at Higgins and Arlington Heights Roads, had a Circus/Family Day on the Fourth of July and this grew into a Five Day Carnival, just to mention a few. We now host the fireworks with a concession stand to celebrate the Fourth of July.

Our present fundraisers are Football Mania, Poinsettia Sale, Trivia Night, Classic Five Thousand and the traditional Candy Day.

Did you ever stop and realize how active our club is and how many people we have helped?

If we are to continue to succeed it will require all of our members to participate in these fundraisers. We cannot do it with only a few members participating. It requires **ALL OF US**.

We can look back with pride, however we cannot forget the future that holds even greater opportunities for the Elk Grove Lions Club to shine.

Remember Our Motto is **WE SERVE.**

Saturday, October 25th is our Anniversary Dinner Dance. Lets make this evening a success and celebrate with our friends, family and Lion members.

Candy Day is the main fund-raising campaign of the Lions of Illinois Foundation. This single event raises over

50% of the total operating cost for the Lions of Illinois Foundation and the thirteen service programs that assist visually and hearing impaired in Illinois.

Lions are also involved in a variety of other activities to improve their communities and help people in need, such as assisting the hearing impaired, providing diabetes awareness and education materials, working on environmental projects and developing youth programs.

## Lions Code of Ethics

**To SHOW** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of Service.

**To SEEK** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

**To REMEMBER** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

**WHENEVER** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

**To HOLD** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but true friendship demands nothing but accepts service in the spirit in which it is given.

**ALWAYS** to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them unswerving loyalty by work, act and deed. To give them freely of my time, labor, and means.

**To AID** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**To BE CAREFUL** with my criticism and liberal with my praise; to build up and not destroy.

## Thought for the Day

### Jefferson's Ten Commandments

1. Never put off till tomorrow what you can do today.
2. Never trouble another for what you can do yourself.
3. Never spend your money before you have earned it.
4. Never buy what you don't want because it is cheap.
5. Pride costs more than hunger, thirst, and cold.
6. We seldom report of having eaten too little.
7. Nothing is troublesome that we do willingly.
8. How much pain evils cost us that have never happened!
9. Take things always by the smooth handle.
10. When angry, count to ten before you speak; if very angry, count to a 100.

Thomas Jefferson, found in *Thoughts on the Business Life*, edited by B.C. Forbes

## Joke of the Day

A cowboy named Bud was overseeing his herd in a remote mountainous pasture in California when suddenly a brand-new BMW advanced out of a dust cloud towards him.

The driver, a young man in a Brioni suit, Gucci shoes, RayBan sunglasses and YSL tie, leans out the window and asks the cowboy, 'If I tell you exactly how many cows and calves you have in your herd, will you give me a calf?'

Bud looks at the man, obviously a yuppie, then looks at his peacefully grazing herd and calmly answers; 'Sure, Why not?'

The yuppie parks his car, whips out his Dell notebook computer, connects it to his AT&T RAZR V3 cell phone, and surfs to a NASA page on the Internet, where he calls up a GPS satellite to get

an exact fix on his location which he then feeds to another NASA satellite that scans the area in an ultra- high-resolution photo.

The young man then opens the digital photo in Adobe Photoshop and exports it to an image processing facility in Hamburg , Germany

Within mere seconds, he receives an email on his Palm Pilot that the image has been processed and the data is stored. He then accesses a MS-SQL database through an ODBC connected Excel spreadsheet with email on his Blackberry and, after a few minutes, receives a response.

Finally, he prints out a full-color, 150-page report on his hi-tech, miniaturized HP LaserJet printer and finally turns to the cowboy and says, 'You have exactly 1,586 cows and calves.'

'That's right. Well, I guess you can take one of my calves,' says Bud .

He watches the young man select one of the animals and looks on amused as the young man stuffs it into the trunk of his car. Then Bud says to the young man, 'Hey, if I can tell you exactly what your business is, will you give me back my calf?'

The young man thinks about it for a second and then says, 'Okay, why not?'

'You're a Congressman for the U.S. Government,' says Bud .

'Wow! That's correct,' says the yuppie, 'but how did you guess that?'

'No guessing required.' answered the cowboy. 'You showed up here even though nobody called you; you want to get paid for an answer I already knew, to a question I never asked. You tried to show me how much smarter than me you are; and you don't know a thing about cows...this is a herd of sheep. . . Now give me back my dog.'
