Lions of Illinois Foundation Recycling

In addition to the letter from the Foundation that Lion president Pat read at the April meeting, we have received two others, the two that Lion Marilyn could not remember where Lion Rich had placed them. They have been found and we were thanked for sending 171 pair of glasses, 4 cell phones, and 15 ink cartridges.

When you use a search engine to find information on the internet, we are asking you to use www.goodsearch.com and designate Lions of Illinois Foundation as your charity. Each time you have them make a search, \$0.01 is credited to LIF. No, it isn't much but 1 cent is better than no cents and after awhile, cents turns into dollars and dollars turn into Low Vision screenings or a week at camp. Help us. Help them.
