Used Eyeglass Collections & Recycling

Since 1994 the Lions of Illinois Foundation have distributed more than 5,000,000 pairs of graded, used eyeglasses. These recycled eyeglasses are given to people in need, with the help of various medical missionaries, in Central and South America. When the eyeglasses arrive in these countries, doctors and technicians conduct eye exams and provide a free pair of prescription eyeglasses that are as close as possible to that person's sight needs.

What can be donated?

Any type of eyeglasses and visual aid is welcome. The program can use sunglasses, telescopic, magnifying, and prescription eyeglasses. Eyeglass cases cannot be redistributed due to sanitary issues and health guidelines.

Who receives the glasses?

Recycled eyeglasses are typically sent out of the U.S. due to the legal constraints concerning the dispersal of prescriptive devices, and the shipment of certain types of metal, glasses are sorted and restricted frames are sold. Funds from the sale of restricted metal frames help pay for the program and other humanitarian services of the LIF.

Lake Villa Township drop off locations for eye glasses, hearing aids, cell phones and metal keys are:

- First American Bank, 500 E. Grand Ave, Lake Villa
- First American Bank, 1906 E. Grand Ave, Lindenhurst
