What are Lions?

Lions are groups of service-minded men and women who are interested in improving their communities. We are young people, families and Baby Boomers alike. To become a Lion is to become an active volunteer, a member of a respected international organization, a leader in your community and a friend to people in need.

Why become a member?

As a Lions we:

- Help our community and gain valuable skills.
- Make an impact on people's lives – locally and internationally.
- Learn to be leaders – and lead a respected organization.
- Network with business people in our community and around the world.
- Energize our lives and have fun.
- Grow personally and professionally. And know that what we do is worthwhile and appreciated.

Who can become a Lion?

Membership in a Lions club is by invitation. To become a Lion, the individual must be of legal majority, good moral character and good reputation in the community.

Which phrase describes you?

“No we can't”

or

“How can we?”
