**SMILE**

Children's Logic: "Give me a sentence about a public servant," said a teacher. The small boy wrote: "The fireman came down the ladder pregnant." The teacher took the lad aside to correct him. "Do you know what pregnant means?" she asked. "Yes," said the young boy confidently. "It means carrying a child."

When my grandson Billy and I entered our vacation cabin, we kept the lights off until we were inside to keep from attracting pesky insects. Still, a few fireflies followed us in. Noticing them before I did, Billy whispered, "It's no use, Grandpa. The mosquitoes are coming after us with flashlights."

\*\*\*\*\*

My 3-year-old granddaughter and I were studying the world globe, and finding different points of interest. I pointed to the ocean and asked her what that was. She was hesitant to answer, so I said, "that's the ocean." Whereupon she said, "Very good!"

\*\*\*\*\*

My grandson was visiting one day when he asked, Grandma, do you know how you and God are a like," Mentally polished my halo while I asked, "No, how are we alike?" "you're both old," he replied.

\*\*\*\*\*

When my grandson asked me how old I was, I teasingly replied, "I'm not sure." "look at your underwear, Grandma," he advised. "Mine says I'm 4 to 6."
