LIF WALK FOR SIGHT "We Walk...To Light The Way"

The Annual Illinois Lions Walk for Sight will be held in our District on Saturday, May 30, 2009 at the Lakewood Forest Preserve. Lakewood is located east of Route 12 at the corners of Route 176 and Fairfield Rd in Wauconda. Various events will be presented during the day starting at 10:00 AM and ending at 6:30 PM. Lion Martha Garlock one of the coordinators of the event is looking for some help from our Club in manning the registration and food booths. Also, there are other jobs available if you plan on helping at this Lion of Illinois Foundation event.

SHORTS

The Easter Egg Hunt for the Visually Impaired will be held on Sunday, April 19th at the Gillette School at 1:00PM. The school is located just west of Prospect High School. This year we will be using a new egg called "Hide Um and Find Them Um". They actually talk. I was able to get them donated from a company in New York for a little publicity. Lions reserve this Sunday because we will need a little help hiding the eggs and serving the goodies.

The Lion of the Month for March chosen by our President is Lion Fred Adams. Congratulations.

The Club will be looking for a member to volunteer to be the Candy Chairperson for the next Candy Day in October.

Lions Rick Bowman, Jeff Hady, Ken Hadden, District Governor Paul Pioch, Martha Garlock and Rosemary Grier won the raffle prizes at the Past Presidents Meeting. Lion lucky Jerry McIntosh again won the 50/50 raffle and Lion Carl Gach won the "Sorry Charlie Raffle" of \$40.00 and he was in attendance. At the march meeting Rock Bork, Tim Murphy, Jerry McIntosh (2), Tom Porte and Ken Hadden won the raffle prizes. 50/50 raffle won by Rick Bowman and the Sorry Charlie was won but Dave Fairburn however he was not in attendance to the it rolls over to \$40.00 for the next meeting March 26th.

HAPPY BIRTHDAY LIONS

SMILE

A profound Steinerism: "You got to know when to shut your mouth".

"Yesterday, scientists revealed that beer contains small traces of female hormones. To prove their theory, the scientists fed 100 men 12 pints of beer and observed that 100% of them gained weight, talked excessively without making sense, became emotional, couldn't drive, and refused to apologize when wrong. No further testing is planned

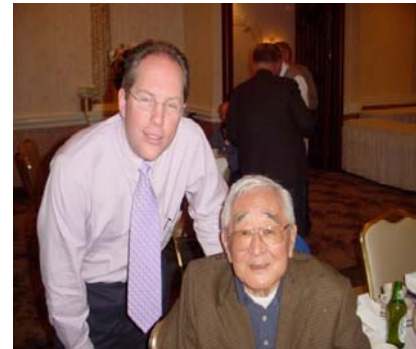

At Sunday school they were teaching how God created everything, including human beings. Little Johnny, a child in the Kindergarten class, seemed especially intent when they told him how Eve was created out of one of Adam's ribs. Later in the week his mother noticed him

lying down as though he were ill, and asked, "Johnny, what is the matter?" Little Johnny groaned and responded, "I have a pain in my side. I think I'm going to have a wife."

A mother was reading a book about animals to her 3 year old daughter. Mother: "What does the cow say?" Child: "Mooooo!" Mother: "Great! What does the cat say?" Child: "Meow." Mother: "Oh, you're so smart! What does the frog say?" And this wide-eyed little three-year-old looked up at her mother and replied, "Bud."

HARD TO EXPLAIN THIS ONE AGAIN??

THE DISTRICT GOVERNOR AND ONE OF OUR PAST PRESIDENT'S

A GROUP OF THE VERY BEST
