CLUB GOLF OUTING

13 members participated in the first Members Only Golf Outing. After golfing the members retreated to Manzo's for a friendly dinner. I hear plenty of BS (Not Boy Scouts) was dished out during dinner such as, who was the best duffer out on the links. Lion Ric Dieschbourg-lowest score and Lion John Katsinis-2nd lowest score. However, we cannot forget Lion Bill "It's A Mulligan" Steiner with the highest score. Just to set the record straight none of you guys are even close to Tiger Woods. Mark your calendar because plans are being made to have another golf outing next year at the same time and place.

SMILE

A golfer teed up his ball on the first tee, took a mighty swing and hit his ball into a clump of trees. He found his ball and saw an opening between two trees he thought he could hit through. Taking out his 3-wood, he took another mighty swing; the ball hit a tree, bounced back, hit him in the forehead and killed him. As he approached the gates of Heaven, St. Peter saw him coming and asked, "Are you a good golfer"? To which the man replied: "Got here in two, didn't I?"

Yesterday I went to the doctor for my yearly physical. My blood pressure was high, my cholesterol was high, I'd gained some weight and I didn't feel so hot. My doctor said eating right doesn't have to be complicated and it would solve my physical problems. He said just think in colors; fill your plate

with bright colors: greens, yellows, reds, etc. I went right home and ate an entire bowl of M&M's and sure enough, I felt better immediately. I never knew eating right could be so easy.

Q: Where can men over the age of 50 find young sexy girls who are interested in them?

A: Try a bookstore under fiction.

Q: How can you increase the heart rate of your 50+ year old husband?

A: Tell him you're pregnant.

Q: Why should 50+ year old people use valet parking.

A: Valets don't forget where they park your car.

A Lion and his best friend.

The mountain is called the Matherhorn!!
