EGG HUNT FOR THE VISUALLY IMPAIRED

On Sunday, April 13th, at the Gillet School, the Club held its annual egg hunt for the visually impaired. We had 15 children participate in the hunt. More children would have attended if the weather had not been so cold. The Lions placed the beeping eggs around the playground for the children to find while the Telephone Pioneers handled the goodies and the refreshments. Also, each child was given a stuffed animal before they departed. The Club would like to thank Lion Martha Garlock from Lake Zurich and Walgreen's for the candy and the stuffed animals. The chairman would like to thank all the Lions and friends that braved the cold weather to help make this another successful event for our Club. Check www.Pioneerlocal.com for a video presentation of the egg hunt.

A frog telephones the Psychic Hotline for advice. The Psychic tells him: "You are going to meet a beautiful young girl who will want to know everything about you." The frog is thrilled, "This is great! Will I meet her at a party?" "No," says his Advisor, "in her biology class."

A man whose son had just passed his driving test went home one evening and found that the boy had driven slap into the living room. "How on earth did you manage to do that?" he fumed. "Quite simple, Dad. I came in through the kitchen and turned left!"
