SMILE

Three men were discussing at a bar about coincidences. The first man said, " my wife was reading a "tale of two cities" and she gave birth to twins" "That's funny", the second man remarked, "my wife was reading 'the three musketeers' and she gave birth to triplets" The third man shouted, "Good God, I have to rush home!" When asked what the problem was, he exclaimed, " When I left the house, my wife was reading Ali baba and the forty Thieves"!!!

Travis and McGee met over a beer in the local pub. After a while the subject of sports came up. Travis asked McGee, "Do you play golf?" "Sure," said McGee, "I play well enough to know why they call it 'golf'." Puzzled, Travis asks, "Why do they call it 'golf'?" "Because," replied McGee, "that's the only 4-letter word left!!"

Three groups that spend other people's money: children, thieves and politicians. All three need supervision.

Two men were talking about golf. One of them said, "I shoot in the 70's." The other replied, "That's great!" The first one said, "Yeah, if it gets any cooler than that, I go to the clubhouse."

I love the outdoors, and because of my passion for hunting and fishing, my family eats a considerable amount of wild game. I guess they eat so much, in fact, that one evening as I set a platter of broiled venison steaks on the dinner table, my ten-year-old daughter looked up and said, "Boy, it sure would be nice if pizzas lived in the woods."

Why did Dorothy get lost in Oz? She had three men giving her directions.

I have learned that if you upset your wife she nags you.... If you upset her even more you get the silent treatment. Don't you think it's worth the extra effort?
