Lion Zone Chair Todd Hoffman is Lion Of the Year District 10

This past April, our Club participated in two recycling programs. We were with the Schaumburg collection April 18 from 9-3. Boy did I get burned that day. And the week of April 24th, the Schaumburg Corporate Center collected 125 pairs of glasses for us throughout that week.

I also would like to congratulate the club for the donations for the 35th Anniversary for the Lions of Illinois Foundation. Also, we paid for 5 campers this summer, donated \$1000 to Diabetes Awareness and so much more.

Our Club is growing with many new faces from International and other sources. Welcome, Jan, Vivian, Valerie, Robin, Cindy, and Lee.

It was very sad for our Club to hear of the passing of Lion Marty "MR.BINGO" this past June. Sadly, word of the memorial was not passed on to all of our club members. Thank you Lion Gerry for representing us along with your other positions. Please remind your families to let someone in our club know if something occurs such as this or even a hospitalization.

Thank you Club for all your work.
