Presidents Corner —

Happy summer and the beginning of another year serving our community. We started off with the July 4th parade, Summer Celebration and look forward to the Summer Splash. DG Lion Don Hook will be generously hosting our annual club party will be August 14 at his home. This is serious time management and very good-hearted hospitality from a busy Lion.

The 2011 Entertainment Books will be delivered the first week in August. Our club has committed to sell 100 books. I'm sure if we all pitch in we can reach that goal. You can start making your contacts to your relatives, friends or neighbor now before other organizations start their selling campaign. Also, you can help by signing up to sell the books at Sam's.

In September we will be bringing the Kelly Miller Circus to town. DG Lion Don Hook and Lion Amber Martinez are tirelessly working to make this event happen for our club and for Vernon Hills. Tickets will be available in a few weeks. Let's make an effort to fill the tent each night equal to the efforts of Lion Don and Lion Amber to bring the acts to the tents.

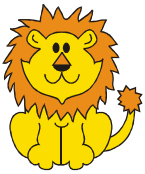

We are also preparing for another successful Candy Day, scheduled for the second weekend in October. This year, more than in previous years, it's important our club have full participation for Candy Day. As our most important revenue generator, Candy Day brings in most of our donation to the Lions of Illinois Foundation. LIF funds many of the programs that provide services to the hearing and sight impaired persons of Illinois. We have the opportunity to accomplish great things partnering with them each year. It does take all of us to make that kind of impact. I hope everyone will find some time this year to come out for Candy Day.

I'm happy and challenged to be your President this year. See you at the meetings and have a great summer.

President Bernie

LION HUMOR

Hole In One

The Reverend Francis Norton woke up Sunday morning. He realized that it was an exceptionally beautiful and sunny spring day and decided he just had to play golf. So he told the associate pastor that he was feeling sick and convinced him to say Mass for him.

Then he headed out of town to a golf course about forty miles away. This way he knew he wouldn't accidentally meet anyone he knew from his parish. Setting up on the first tee, he was alone. After all, it was Sunday morning and everyone else was in church!

About this time, St. Peter leaned over to the Lord while looking down from heaven and exclaimed, "You're not going to let him get away with this, are you?"

The Lord sighed and said, "No, I guess not."

Just then Father Norton hit the ball. It shot straight toward the pin, dropped just short of it, and rolled up and fell into the hole.

IT WAS A 420 YARD HOLE IN ONE!

St. Peter was astonished. he looked at the Lord and asked, "Why did you let him do that?!"

The Lord smiled and replied, "Who's he going to tell?"

Remembering Our Beginnings . . .

History of Lions International

Lions Clubs International began in June 1917 when a young insurance agent named Melvin Jones presented to a group of separate business clubs the idea of consolidating the individual clubs into one strong, influential club with the goal of helping the community and serving humanity.

The Lions Motto is: “**WE SERVE**”

Mission:

To create and foster a spirit of understanding among all people for humanitarian needs by providing voluntary services through community involvement and international cooperation.

Lions International Objectives

- To Create and foster a spirit of understanding among the peoples of the world.
- To Promote the principle of good government and good citizenship.
- To Take an active interest in the civic, cultural, social and moral welfare of the community.
- To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.
- To Provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Grilled Bar-B-Q Pork chops

Ingredients

18oz whole loin lean pork chops (double cut)
1/2tsp ground cayenne (red pepper)
1tsp black pepper
1/2tsp paprika
1/2tsp garlic powder
1/2tsp ground cumin
2tbsp safflower oil

Directions

- 1 Mix the spices together and add the oil.
- 2 Rub into the meat and allow to marinate for 20 minutes.
- 3 Put the meat onto the grill or barbeque and mark the meat, turning it once clockwise to create grill marks.
- 4 Flip the meat over and mark the other side.
- 5 If working outdoors on the grill, cover the grill and allow the chop to cook for 15 minutes total. Rest the chop on the top rail of the grill for 10 minutes before slicing family style.
- 6 If cooking inside, place the chop in the oven for 10 minutes after marking and allow to rest at room temperature for 10 minutes before slicing.
