More than half the Lions Clubs in District 1-F are already helping our Medical Mission in Swaziland. We have received cash donations, glasses cases, medical supplies and numerous other contributions. Don't you think you should come and hear about the wonderful work being done by the Luke Commission and District 1-F Lions Clubs in Swaziland?

Grant Township Lion Jan Tuinstra and her husband Lion Kal spend 2 months a year helping to provide eye care and medical care to the people of Swaziland. This will give you the opportunity to hear of the work done in Swaziland from a little different point of view. If you would like to become a volunteer or receive more details, attend the reception and you can also create a life changing experience for someone.

This reception is open to non Lions that would like to learn about the extraordinary work being done by Lions in Swaziland, Africa.

We truly make a difference and so can you!

Come enjoy the refreshments and become part of this eye opening experience. Please RSVP to Lion Don Borgwardt
