

As we pause this season to thank God for the gift of our Savior, we will thank Him for each of you and your kindness. And, we will thank Him for using all of us to spread His hope "even to the least of these."

Our travels in the eastern US came to a close with us sharing at churches in North Carolina, Ohio, Indiana, and with the Lions Club International in Illinois. While covering 6,000 miles on the road, we were amazed by the generosity, hospitality, and passion shared by those we visited.

After making our way out west (by plane!) we had a beautiful night at the first annual Idaho dinner/auction last weekend. What a joy and encouragement to share the time with family, friends and ministry partners all gathered to show support for the work God is doing through TLC. We are so grateful for the more than 200 people in the local community who participated and to all who worked so diligently and tirelessly to make that event an amazing success.

**YOU CAN HELP US FINISH STRONG IN 2008!**

Your interest and support allowed us to provide compassionate medical care and the Gospel to more than 25-thousand of the world's most vulnerable in Swaziland this year!

These are challenging times, but our mission has not changed: taking free medical care to the Swazi people who have no healthcare and little hope. **Thank you** in advance for your consideration of a generous gift before the end of the year. Your involvement will help us significantly expand our HIV program to include increasing educational handouts, drawing CD4 counts onsite, and - then referring the patients to established medical facilities distributing ARVs. This is life-saving work!

When you support the work of medical missions, you introduce hope to the people of Swaziland. And when you [give before the end of 2008](#), your gift will prepare us for our return to Swaziland in February, 2009 and reach even more people.

Together, let's offer compassionate medical care. Together, let's impact lives for all eternity.

In gratitude for your gift of \$25 or more, we will send you the Vanderwal's latest electronic prayer card with pictures of the family. You may be led to provide a generous gift of \$100 or \$250...be assured this will be used to help those need!

**Thank you for your giving heart. Let us know how we can pray for you in this new year.**

Lions Dr. Harry, Echo and family
